BURGE TOWN.

VIRGINIA WITHIN THE TERRITORY OF CO.

Proposed height of the
 West Branch, about the city
 in this Creek

The water of this Creek is to be raised
 to the high ground where the Capitol stands
 and after passing that point the City may
 be situated in other suitable positions.
 The proposed height of the ground
 where the Capitol is to stand is shown
 on the side of this Creek, of the

Lat. Capitol, 38.53. N.
 Long. 0. 0.

**Particulars
 of the Plan.**

For the different Editions
 squares or Areas of different
 lots shown, were first done
 in irregular forms, some
 extensive proposals, and the
 such improvements as other
 would call for
 most of direct communication have
 been the separate and most distant
 respect, and to preserve through the whole
 at the same time. Attention has been
 of their leading aspects over the main
 proposals and successive
 built first, constructed by others receiving
