Green Collar Jobs Roadmap for New York City

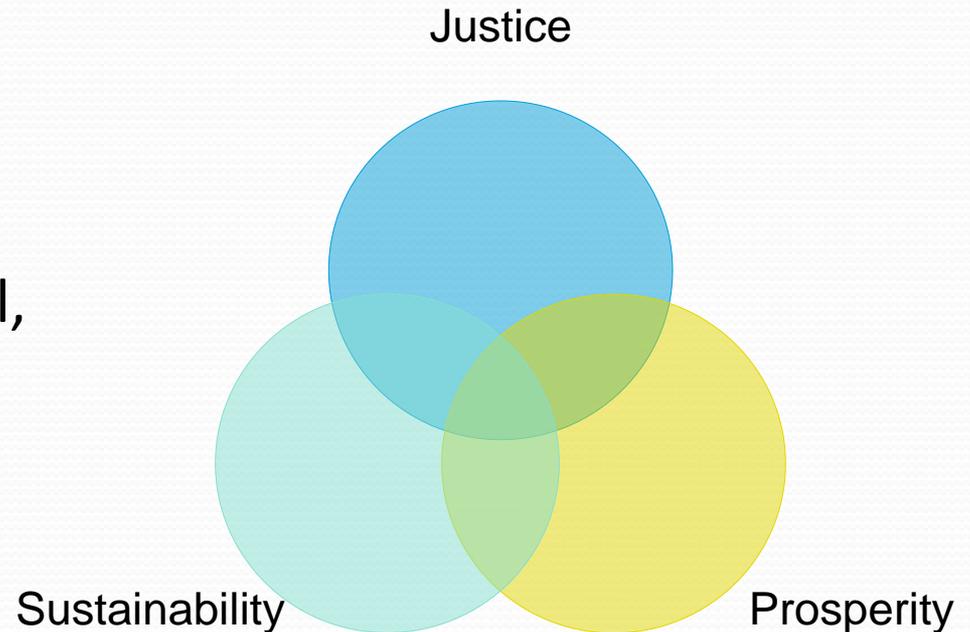

Our Vision

We believe in building an economy that:

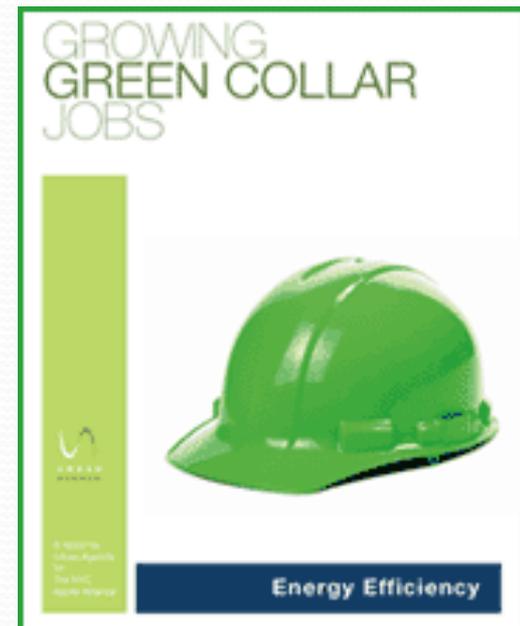

- puts people before profits,
- increases opportunity for all,
- enriches our environment.

And we believe that our government and corporations share in the responsibility of helping us build this new economy

Green Collar Jobs Roundtable Process

- Emerged from Urban Agenda's Growing Green Collar Jobs report
- Three general body convenings
- Over 170 total participants
- Vision and Goals: Roadmap

Working Groups

- Tap collective knowledge
- Drill down into specific aspects of green collar workforce development
- Make recommendations for implementing the Roundtable Vision

Roadmap

Goals

- Resource guide for elected officials
- Provides overview of current landscape: jobs, training, employers
- Present recommendations from working groups

Market drivers

**Target
populations**

**Job
standards**

Next Steps

**From Roadmap to
Reality**
