

STATE LEADING INDEXES

OCTOBER 2014

Release Date: December 2, 2014

The Federal Reserve Bank of Philadelphia has released the leading indexes for the 50 states for October 2014. The indexes are a six-month forecast of the state coincident indexes (also released by the Bank). Forty-eight state coincident indexes are projected to grow over the next six months, while two are projected to decrease. For comparison purposes, the Philadelphia Fed has also developed a similar leading index for its U.S. coincident index, which is projected to grow 1.7 percent over the next six months.

The next release of the state leading indexes will be on December 30, 2014.
