Using data from tens of millions of credit files nationwide, the Consumer Credit Explorer covers many common types of consumer debt, including auto, credit card, home equity line of credit, mortgage, and student loan debt, from 2005 onward.

Find out what’s happening in your region at philadelphiasfed.org/cce.

Use the Consumer Credit Explorer to examine borrowing trends and compare indicators of financial well-being at the regional, state, and national level.

The views expressed here are those of the authors and do not necessarily represent the views of the Federal Reserve Banks of Philadelphia or Minneapolis or the Federal Reserve System.

See “About the Data” for definitions and descriptions of calculations at philadelphiasfed.org/cce.
